Dear Alumni:

We are fast approaching the next annual NHSA Reunion weekend on Friday, November 29 – Sunday, December 1, 2024. The activities will be held at the Dunn Community Center, and the hotel is the Fairfield Inn and Suites in Dunn, NC.

We are planning some exciting events where you will have a chance to hopefully see, meet, greet, and reunite with old friends and classmates. The last couple of years we have held the Class Reunion on Friday night and the Honors/Recognitions on Saturday night.

Our tentative schedule of activities for this year are as follows:

- Friday: We will recognize the alumni Class of 1964. While we have attempted to contact all of them, please share this information with others. We encourage each class in reunion to donate at least \$1,000 to the scholarship fund. The Class of 1963 pledged to donate \$2,000 over the next 2 years. Even though the Class of 1965 was not in reunion, the president, Al Fred McKoy led a challenge that raised over \$3,000 for the scholarship fund.
- Saturday: We will focus on the educational aspects of our association. First, we will introduce our 2024 college scholarship recipients. Second, we will recognize all K-12 employees (essential and non-essential) who graduated from Harnett High School. Please complete the enclosed form if you or your relative was a K-12 employee.

As indicated on the registration form, in addition to the programmatic activities, delicious meals will be served, and a throwback/flashback dance will be held for your enjoyment. It is VERY important that you register as soon as possible so we can make sure that the food provider knows how many people may attend and prepare appropriately. In addition, please make your hotel reservations which you can cancel, if you decide later that you cannot attend.

Finally, we continue to award scholarships each year to several deserving students who are relatives of former alumni. It has always been our main focus to provide scholarships. Please consider giving to the scholarship program which is directed by John Fitzpatrick.

We look forward to your attendance at this next Alumni Reunion. See you there!
